

TERM	MEANING
Affirmative	Yes
Negative	No
Copy	Received and Understood transmission
Clear	Finished
Radio Check - Variety of Responses	Loud and Clear (Lima Charlie) Low Volume (Can barely hear) Breaking But Readable (Transmission breaking up but I'm getting enough to understand) Unreadable (can't understand) Broke Squelch, Nothing Further (Transmitting just enough so we know someone is trying to transmit, but nothing came through)
Negative Response/Nothing Heard	Station called didn't respond, or can't be heard by station calling
Relay	A station can hear the person being called that the calling station can't hear. It is an offer to repeat the unheard transmission.
Roger	Okay
CORRECTION	CRITICAL TO SAY IF YOU REALIZE YOU HAVE TRANSMITTED WRONG INFORMATION
Stand By	Polite way of saying shut up
Repeater Released for Normal Traffic	Go back to normal transmissions
Monitoring	Just listening to transmissions, but available
