Get On The Air Funding Support Application

Applicants must be a resident of Butte County and, if awarded radio equipment, must obtain their GMRS license at a cost of \$35 for ten years for the entire family and participate in one introduction to radio communications presented by CERT. Once the recipient participates in at least five weekly CERT Radio Net Events, the \$35 license fee will be reimbursed unless the applicant already has a license issued before the application date. Once complete, mail or email the application to the address above.
